

## The Countdown to Pool Season Has Begun!

With snow currently on the ground in Cape St. Claire, it might be hard to believe that ***pool season is less than 120 days away!***

Your CSCSC Board of Governors has been hard at work this winter preparing for the 2021 swim season. We are excited to share progress and updates with you as we approach Memorial Day Weekend. Work continues on the following projects at our facility:

- Repairing the pool electrical bonding
- Resurfacing both pools
- Replacing 50-year-old+ pool plumbing
- Updating the pool electrical systems, lights, and wiring

As mentioned in our last update, pending any forthcoming COVID restrictions, we are preparing for the pool to open on time.

With annual dues now upon us, it is important to understand why your dues amount might be different this year:

- Bondholders who were in good standing at the conclusion of the 2020 season and who did not take a payout of the \$77 refund due to pool closure should see a dues payment amount of \$523 when they log in to pay
- Bondholders in good standing who took a payout will see the full \$600 dues amount when they log in to pay
- Bondholders who were not in good standing at the conclusion of the 2020 season will see a different amount

temporarily turned off new guest credit purchases. Remember, there is a standard fee charged by our payment processor for all transactions.
