Learn to Swim at CSCSC

This year's first session of swim lessons is right around the corner! Each summer, swimmers of many different levels take advantage of these low student-to-instructor-ratio classes to increase their comfort level in the water, improve their strokes, and enhance their enjoyment of aquatic activities.

Make use of this great club amenity (with a cost-to-value ratio that really can't be beat)—[learn more and register today!](#) A skills evaluation session is scheduled for Saturday, June 19th at 10 a.m. to ensure proper class placements.

Annual Meeting of the Club: Saturday, August 14th at 10 a.m.

Bondholders—please mark your calendars now! Plan for a member of your family to attend our Annual Meeting, which will be held under the pavilion prior to the club's opening. Your Board will present in-depth updates, your feedback and wishes for our club will be solicited, and you will elect your 2022 Board of Governors.

More information and proxy instructions will be distributed as the meeting date draws closer.

Volunteers Needed – Join the CSCSC Board!

A tremendous amount of volunteer work goes on behind the scenes at CSCSC—before, after, and during the pool season. If you enjoy collaborating with others and want to enhance our club, facility, and programs for your family and other members, ***please consider running for the Board.***

This year, we especially hope to have new volunteers elected with expertise in accounting and facilities management as we anticipate upcoming vacancies with current volunteers moving on.
